

PROPOSED RESOLUTIONS FOR THE EXTRAORDINARY GENERAL MEETING OF SHAREHOLDERS

ANTEVENIO, S.A.

13 September 2017

Points related to dividends:

1. Distribution of extraordinary dividend from the voluntary reserves.

Justification and opportunity of the proposed resolutions:

The Board of Directors proposes, in line with the evolution of the business and the sound situation of the treasury of Antevenio, the distribution of a dividend to shareholders. On the other hand, the Board of Director states that as of December 31, 2016 the closing date of the past financial year, Antevenio had at its disposal a total of 11,851,514 Euros in reserves of which 3,615,444 Euros corresponded to voluntary reserves, for which the distribution of dividends under no circumstances involves a detriment to the company assets.

Proposed Resolution:

To approve the distribution of a dividend of 0.30 Euros per share from the voluntary reserves of the Company, which, in line with the number of shares currently in circulation, would amount to a total amount of one million two hundred and sixty-two thousand two hundred and forty-eight Euros and fifty cents (1,262,248.05 €). The total amount of the dividend and as a consequence, the amount of the reserves designated to the payment thereof, shall be determined prior to the distribution in function with the shares that Antevenio S.A maintains in its treasury shares.

The General Meeting authorizes the President of the Board of Directors and the Secretary of the Board in order for them to jointly and severally proceed to the effective distribution of the dividend in a 2-month period counting from that approval thereby establishing the specific date of the payment of the dividend as well as designating the Agent Bank and undertaking as many steps and proceedings that are necessary for such purposes.
